Hi Callie – Here are two of the updates for Shaun and Deb that you requested. I will send the WY interstate transport modeling call update tomorrow.

Thunder Butte Petroleum Services (TBPS)

Air Program permitting staff met with TBPS consultants late November 2016 to discuss

## **Ex. 5 - Deliberative Process**

Uintah and Ouray (U&O) Proposed FIP

Mike Koerber contacted Janet on January 3<sup>rd</sup> for an update on her conversation with her OMB contact. Janet has the U&O FIP on her list to talk about with OMB this week. Mike will follow up with Janet later in the week about what she heard from OMB. As a reminder, Monica contacted Aaron Szabo, the OMB contact for the Uinta Basin FIP, late on December 15<sup>th</sup>. Mr. Szabo said that his priority is to review final rule actions, but that the revised proposed U&O FIP the Air Program sent on December 9<sup>th</sup> was back in interagency review and there would likely be more comments.
